

## Pruebas postman

The screenshot shows the Postman interface for a new request. The request method is **DELETE** and the URL is `http://localhost:8080/api/admin/solicitudes/31`. The **Params** tab is selected, showing an empty table. The response status is **200 OK** with a time of 1.41 s and a size of 439 B. The response body is displayed in JSON format, showing a message indicating the request was successfully deleted.
